**Equipment.**

HireHospo is a New Zealand owned and operated company based out of Auckland. We aim is to address critical financial and operational needs unique to the hospitality industry. By providing specialised equipment financing solutions, it empowers hospitality businesses to grow, compete, and succeed in this challenging and dynamic market environment.

## Lease-For-Ownership ::

Here's why this ownership option chosen by 100's of Kiwi companies:

- ❶ **36-Month Fixed Hire-Purchase Term:** Offers a clear path to equipment ownership over a 36-month period with a fixed payment structure.
- ❷ **Stable Fixed Interest Rate:** Ensures predictable financial planning with no fluctuation in interest rates.
- ❸ **Tax Benefits:** You may be able to write off a portion of your weekly payment. Please check with your tax advisor.

SELWYN CONTRACTORS (1/2)

- 4 **Guaranteed Ownership Post-Term:** Full ownership of the equipment after the lease term, adding valuable assets to the business's balance sheet.
- 5 **Discounted Prioritised Local Service & Support:** Access to local service technicians ensures equipment remains operational with minimal downtime. Lease-For-Ownership customers get a portal through their app. This gives them a discounted rate on breakdowns and support and also makes their jobs higher on the priority list.
